

## REMARKS

Entry of the foregoing amendments prior to examination of this application is respectfully requested in view of the following comments.

Claims 1-4 and 6-10 have been cancelled, claim 5 has been amended and new claims 11-13 have been added. Accordingly, Claims 5 and 11-13 are pending in this application.

This application is a divisional application of copending application Serial No. 09/956,896, in which a restriction requirement was issued and claims corresponding to claims 1-4 and 6-10 were elected and have been allowed. Accordingly, claims corresponding to amended claim 5 and newly presented claims 11-13 were withdrawn

Accordingly, claims 1-4 and 6-10 herein have been cancelled as directed to previously allowed claims, claim 5 has been amended to place it in proper independent form and new claims 11-13 correspond to the additional dependencies of claim 5 rewritten in independent form so as to correspond to the non-elected claims in the parent application.

No new matter has been added and applicant respectfully submits that this application is in condition for allowance and an early notice to that effect is earnestly solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'L. W. Sherman', with a long horizontal flourish extending to the right.
